COMMUNICATION SKILLS

I have visited more than 10 countries and living in Poland right now. These experiences improved my English and communication skills.

My communication and management skills improved during my presidency in IEEE Sakarya University Branch.

In a social responsibility project that I volunteered, I live in an orphanage in Lithuania for 6 weeks. This experience also improved my English communication skills.

During the elections of “Girişim Atolyesi” entrepreneurship contest, I made a presentation. I also made lots of public speaks in front of crowd. These experiences improved my speaking abilities in front of community.
